### ADDITIONAL PROGRAMS

Contact the Manitowoc County Recycling Center at 683-4333 or visit our website at [www.manitowocrecycles.org](http://www.manitowocrecycles.org) to learn more.

**ELECTRONICS RECYCLING:** Recycle your computers, TVs, bulbs, batteries, cell phones and other electronics. These items contain both hazardous and useful materials and should be properly recycled.

**COMPOST AND YARD WASTE:** Quality composts and woodchips at a reasonable fee, free materials also available! Deliveries to your area! Yard waste drop off sites to accept your compostable yard wastes items.

**MERCURY REDUCTION :** Help keep this toxic material out of our water, air and soil. This free program accepts mercury containing items. Exchange your thermometers for one digital fever thermometer!

**HAZARDOUS WASTE CLEAN SWEEP:** Held for a day in the middle of May. This is the proper way to dispose of oil based paints, solvents, pesticides and other hazardous chemicals.

**EDUCATIONAL OUTREACH:** A free service to promote recycling in Manitowoc County. Free information, tours and presentations are available.

**TIRES COLLECTION:** Each September tires are collected for a small fee. Old tires can be reused and do environmental harm when left in stockpiles for a long time.

**PHARMACEUTICAL COLLECTIONS:** Programs held throughout the year to help you safely dispose of unwanted medication without flushing them or throwing them in the garbage.
