

# Manitowoc County Waste Tire Collection 2009

The 2009 Manitowoc County Waste Tire Collection will be held for two weeks this September. County residents can drop off tires for a nominal fee at the Manitowoc County Recycling Center during the following dates:

## September 14th to the 26th

### Fees

- Prices based on 5 tires or less.

<b>Car Tires</b>	<b>\$ 2.50 per tire</b>
<b>Truck Tires</b>	<b>\$ 3.50 per tire</b>
<b>Semi Tires</b>	<b>\$ 7.00 per tire</b>
<b>Tractor Tires</b>	<b>\$12.00 per tire</b>
- Quantities of 6 tires or more will be weighed and charged based on a fee of **11 cents/pound** or **\$220/ton**.

### Tires Accepted

Car  
Truck  
Semi  
Tractor  
Motorcycle  
ATV  
Bicycle

### Guidelines

- Bring your waste tires to the Manitowoc County Recycling Center during normal business hours.
- Pay in the main office **before** dropping off your tires.
- Tires with rims on will be charged by the pound.
- Collection employees reserve the right to judge, based on tire size and quantity, whether a customer is charged on a per tire basis or by tire weight.
- Residents and businesses with large quantities of tires should contact the Recycling Center.

**YOUR PARTICIPATION IS CRITICAL!** Tires have been banned from landfills for many years. Because of the high disposal costs, tires are thrown in our woodlands, waterways, along roadways, or in illegal stockpiles. Improper disposal can lead to significant environmental problems such as surface and groundwater contamination, fires which release toxic fumes, and the creation of habitats for pests such as rodents and mosquitoes. Proper disposal will reduce or eliminate these problems! Waste tires collected in September may be shredded and used in playgrounds, for horse arena footing or as tire derived fuel. A successful collection may lead to a permanent Manitowoc County Waste Tire Disposal Program in the future.
